

PARANORMAL RESEARCH SOCIETY
FIELD OPERATIONS // INCIDENT TIMELINE

CASE..... PRS-020
LOCATION..... THRESHOLD COMPLEX
INCIDENT..... SURVEY TEAM DELTA-4
STATUS..... CLOSED

08:11

Survey Team entered Reception Lobby.

Environmental conditions normal.

No structural instability observed.

08:24

Facility directory documented.

Departments listed:

- Records Processing
 - Environmental Services
 - Level B Storage
 - Public Affairs
 - Overflow
-

08:51

Elevator reached designated Level B.

Survey commenced.

09:14

Team returned to Reception.

No personnel separated.

09:16

Facility directory re-examined.

Previous listing no longer matched original documentation.

"Level B Storage" replaced with "Level C Storage."

Photographs taken twenty-two minutes earlier still display the original directory.

09:31

Personnel accountability check initiated.

Headcount increased from four investigators to five.

Identity of additional individual could not be established.

No team member recalls observing an unfamiliar person.

Review of body camera footage records only four individuals.

09:36

Hallway designated "Overflow" briefly appeared beyond Reception.

Access attempted.

Passage no longer present upon approach.

09:48

Survey terminated.

Recommendation:

Further exploration suspended pending Archive Division review.
